In the Netherlands I judged of course a lot of club trials but also all the big championships and WUSV qualifiers.

Beside this, I was very lucky with the possibility to judge many big trials but also normal club trials in a lot of foreign countries.

My biggest event in judging was – of course – the WUSV World Championship 2013, 2016 and 2018 phase C, next to that the WC Rottweiler phase C 2018.
